

Island Grinds

Experience the flavors of Hawaii with this catering package featuring two Island favorites: Kailua Pork & Teriyaki Chicken, accompanied by classic Mac Salad & White Rice.

My Kailua Pork is slow-cooked to perfection, with tender shreds of heritage breed pork infused with rich, smoky flavor. And the Teriyaki Chicken is grilled to juicy, mouthwatering perfection. My original recipes will have you dreaming of the Islands.

No Hawaiian meal is complete without Mac Salad & White Rice, and I've got you covered there too. My Mac Salad is the perfect complement to the bold flavors of the pork and chicken. The white rice is cooked to perfection in a rice cooker and held at optimal temperature for service.
