

Cheeseburgers In Paradise

Celebrate your special day with the ultimate burger experience: Cheeseburgers in Paradise! This catering package includes everything you need to host a mouth-watering burger party for you and your guests.

Featuring premium Wagyu burger patties, you'll enjoy a burger that's juicy, tender and bursting with flavor and texture. Served on a fluffy brioche bun, this burger will be elevated to a whole new level of deliciousness. And let's not forget the cheese! Organic American cheese mimics that classic cheese burger vibe with its creamy, melt-in-your-mouth goodness.

But the star of the show is undoubtedly our EVO Grill, a round cast iron flat top that is powered by propane. The EVO is the ultimate cooking machine and you'll be able to cook your burgers to perfection, with a sear that locks in all the flavor and juices. The EVO is super easy to use, so you can focus on enjoying the company of your guests.

Whether you're throwing a party for your family, friends or colleagues, my Cheeseburgers in Paradise package is guaranteed to impress. With my high quality ingredients and top-of-the-line equipment, you'll be able to treat your guests to a burger feast that they won't soon forget.
